A. Duie Pyle Announces Mobile Site

WEST CHESTER, PA, September 29, 2011 – A. Duie Pyle, a leading Northeast transportation and logistics provider, is pleased to announce the launch of their new mobile site, m.adiuepyle.com. Using any web enabled phone such as an iPhone, Android or Blackberry, a Pyle customer can enter pickups and track shipments and can obtain transit times, ETAs, delivery notifications and PODs via Pyle's Dashboard to Desktop™ technology. The ability to email ETAs, ADNs and delivery notifications directly to other associates or interested parties is also available through this site.

"While customers have been able to request a text message of their ETA requests for some time now, this new site is a true extension of My Pyle, which utilizes our industry leading Dashboard to Desktop™ technology and allows our customers even greater flexibility and peace of mind," said Michael Crowley, vice president & chief information officer of A. Duie Pyle.

A. Duie Pyle is recognized as an industry innovator utilizing the latest technologies to provide customers with up-to-the-minute shipment information, and the tradition continues with its new mobile site.
