

A. Duie Pyle Receives Package Carrier Safety Award for Fifth Straight Year

Pyle recognized for performing at highest levels of service and safety compliance

West Chester, PA – October 23, 2015 – A. Duie Pyle (Pyle), the Northeast’s premier provider of asset and non-asset based transportation and supply chain solutions, has been awarded the 2014-2015 “Menlo Worldwide Logistics Package Carrier Safety Award. It is the 5th year in a row Pyle has won this award which is designed to recognize the carrier that provided excellence in safe product handling for The Dow Chemical Company. To qualify, Pyle had to achieve a score of zero in serious and moderate incidents and incur no more than one minor incident over the course of the year. Pyle was also chosen based on key areas of safety reporting including on-time performance, EDI compliance and emergency response.

“We are once again honored to receive this prestigious award recognizing our safety compliance and service performance for The Dow Chemical Company,” said Tom Walker, A. Duie Pyle’s director of chemical markets and compliance. “As the only Northeast regional carrier participating in the American Chemistry Council’s Responsible Care program we are proud to serve our customers with the most intensive safety and risk management processes in the business. “

A family-owned and operated business for more than 91 years, A. Duie Pyle provides a range of integrated transportation and distribution services supported by 24 transportation service centers and 9 warehouses strategically located throughout the Northeast region. Through its Customized Solutions Group, Pyle provides a variety of asset and non-asset based services including Custom Dedicated fleet operations, integrated Warehousing & Distribution services through 2.2 million square feet of public and contract warehousing space, and specialized asset and non-asset based truckload services through its Truckload Solutions.
