

G75 INBOUND LOGISTICS' **75 GREEN SUPPLY CHAIN PARTNERS**

A. Duie Pyle

Powering its Parkesburg, Pa., warehousing and distribution facility entirely by solar energy is just the start of A. Duie Pyle's sustainability effort. The carrier also implemented recycling and waste reduction of motor oil and tires; fuel-efficient equipment and engine idling controls; energy-efficient lighting; and company-wide programs such as sustainable cleaning product usage and waste-cutting printing and copying practices.
